W. CLEMENT STONE - CHAIRMAN

CLEMENT STONE - PRESIDENT & CHIEF EXECUTIVE OFFICER

July 15, 1982

The Honorable William J. Casey
Director, Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

I hope this finds you well and in continued good health.

In learning today of your close, personal relationship with Ambassador Max Rabb in Rome, I wanted to share with you my recent letter to Bud McFarlane which requested his assistance in informing the Ambassador of W. Clement Stone's forthcoming visit to Rome and raises the possibility of a courtesy call.

Such an opportunity would be most meaningful to Mr. Stone. Accordingly, any assistance you could provide in sharing with Ambassador Rabb the desire of W. Clement Stone to meet with him would, I know, be greatly appreciated by Mr. Stone who has already started his trip to Europe.

On a personal note, I look forward to seeing you again, but hope you won't hesitate to call if there is any way I may ever be of assistance to you or your family.

Sincerely,

A handwritten signature in cursive script, appearing to read "Warren".
